

PUBLIC MEETING CHAIRMAN'S OUTLINE

TO THE PUBLIC MEETING CHAIRMAN:

*** km 5/07 p. 3 Question Box ***

The Public Meeting will be called to order by a chairman. He will warmly welcome all in attendance and invite them to join in singing the opening song selected by the speaker. The chairman (or perhaps another qualified brother assigned in advance) will open the meeting with prayer. He will introduce the speaker and state the subject of his discourse. After the talk the chairman, while not summarizing what the speaker just said, will make a brief expression of appreciation for the instruction. **He will announce the title of the public talk for the following week**, and then he will invite all in attendance to remain for the *Watchtower* Study. There is no need for the chairman to ask if the audience would like to send love and greetings to a visiting speaker's congregation. Next, the chairman will invite the *Watchtower* Study conductor to the platform.
