Date: **May 26, 2022**

CBOE's Initials: JJ

NOTE: All announcements should first be approved by the Coordinator of the Body of Elders.
Please read these announcements to the congregation.

Please take note of the following announcements:

1. **LDC Project on 43rd Street:**

'We want to thank all the Congregations that have been helping with the security watches so far. With your help we have filled all the shifts for May. I'm reaching out to all the Congregations to let you know that we still have a real need to fill shifts for the rest of June. As it stands now we do not have enough volunteers to fill all the shifts in the Security work, so I am making this special request to encourage you to help with this effort if at all possible. You might notice that all of the needs are for overnight or early morning. Please see if you can fill some of these shifts' Additionally, regular pioneers can count the amount of time they work on the project toward their ministry and can note the amount of time spent on the project on their field service report at the end of the month. The available shifts will be posted on the information board along with these announcements.

2. **Meeting For Field Service:**

Since this coming Monday is a holiday, the meeting for field service will begin at 10:00am.

3. **Field Service Reports:**

Since it is nearing the end of the month, all are encouraged to be mindful to turn in your field service report by the 5th of the following month. Late and irregular reports slow down the efforts of the secretary to compile the reports to send to the branch office each month.

4. **Next Week's Local Needs Part:**

This is to inform you of an adjustment to the local needs part for next week's midweek meeting. The part titled: "2022 Convention Arrangements" will be considered in place of the scheduled 10-minute local needs part.

5. Additionally, Brother Sappington is now back at home from a rehabilitation Center.
