Dear Brothers,

We thank Jehovah so much for providing the delicious spiritual food he has served to us so tenderly this week of pioneer school. Additionally, by his unending love he has used you to provide for us physical nourishment and care as well. We know that many of you are parents, full time workers, single sisters, caregivers, elders, ministerial servants and many of you pioneers yourselves, however you have sacrificed your time, energy and resources to support us. Your loving sacrifice shows application of Proverbs 3:9, as you have truly honored Jehovah with your valuable things.

Here are a few experiences expressed by the 2022 pioneer service class:

An Elder attending the class for a third time said, "I am touched by their generosity, it is an undeserved kindness."

When receiving lunch and a gas card at her door, one pioneer said "You friends really went far and beyond, there is nothing like our brotherhood!"

"I just might cry" said a pioneer who received personalized gifts in celebration of attending the school.

One Sister who was so grateful for her congregation's support expressed "As a single sister with a little one, I didn't know how I was going to care for her and attend pioneer school. Each day a different family took my daughter with them for the day! I was able to concentrate with no distractions."

Jesus tells us "By this all will know that you are my disciples - if you have love among yourselves" (John 13:35). It is the identifying mark of his true disciples to show love. Your love and support leaves us no doubt in our minds, and reaffirms our faith further that we walk with Jehovah's people. We pray that He remembers the love you have shown for Him and the 2022 pioneer school. We love you.

With love and appreciation,

Your brothers from the Pioneer Service School - June 20 - 25, 2022
